Bob Chen, OVV Owner

π The Gap We All Know Exists

- Case studies (static)
- Role play (limitations)
- Real cost (inefficient, incomplete)

Where New BAs Struggle Most

➤ The Challenge with Questions

- The right follow up questions
- Difficult or evasive stakeholders
- Reading between the lines
- Building rapport/maintaining boundaries
- Different personality types

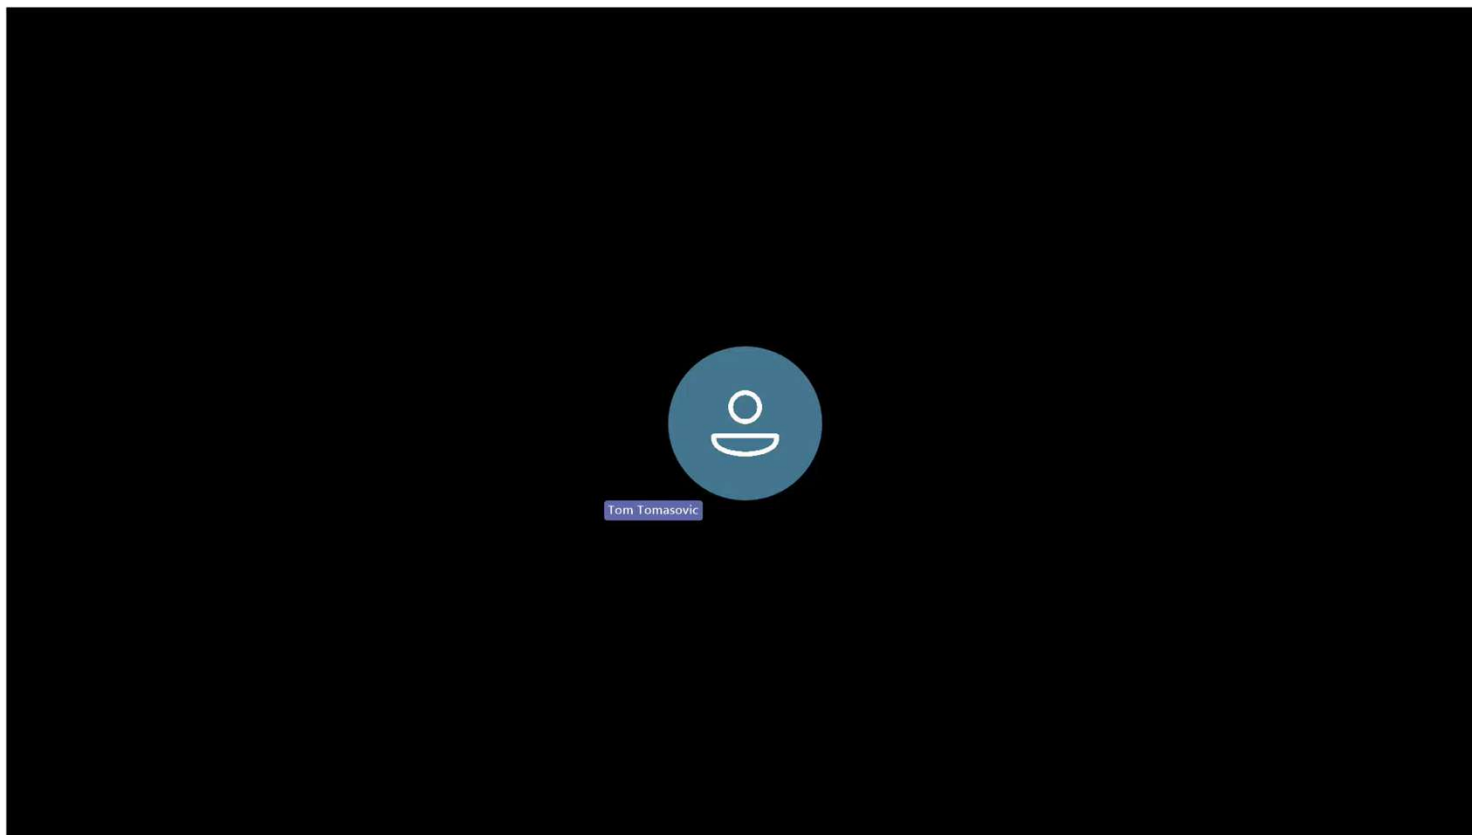

π Learning by Doing

- Realistic practice
- Safe experimentation
- Skill development
- Immediate feedback

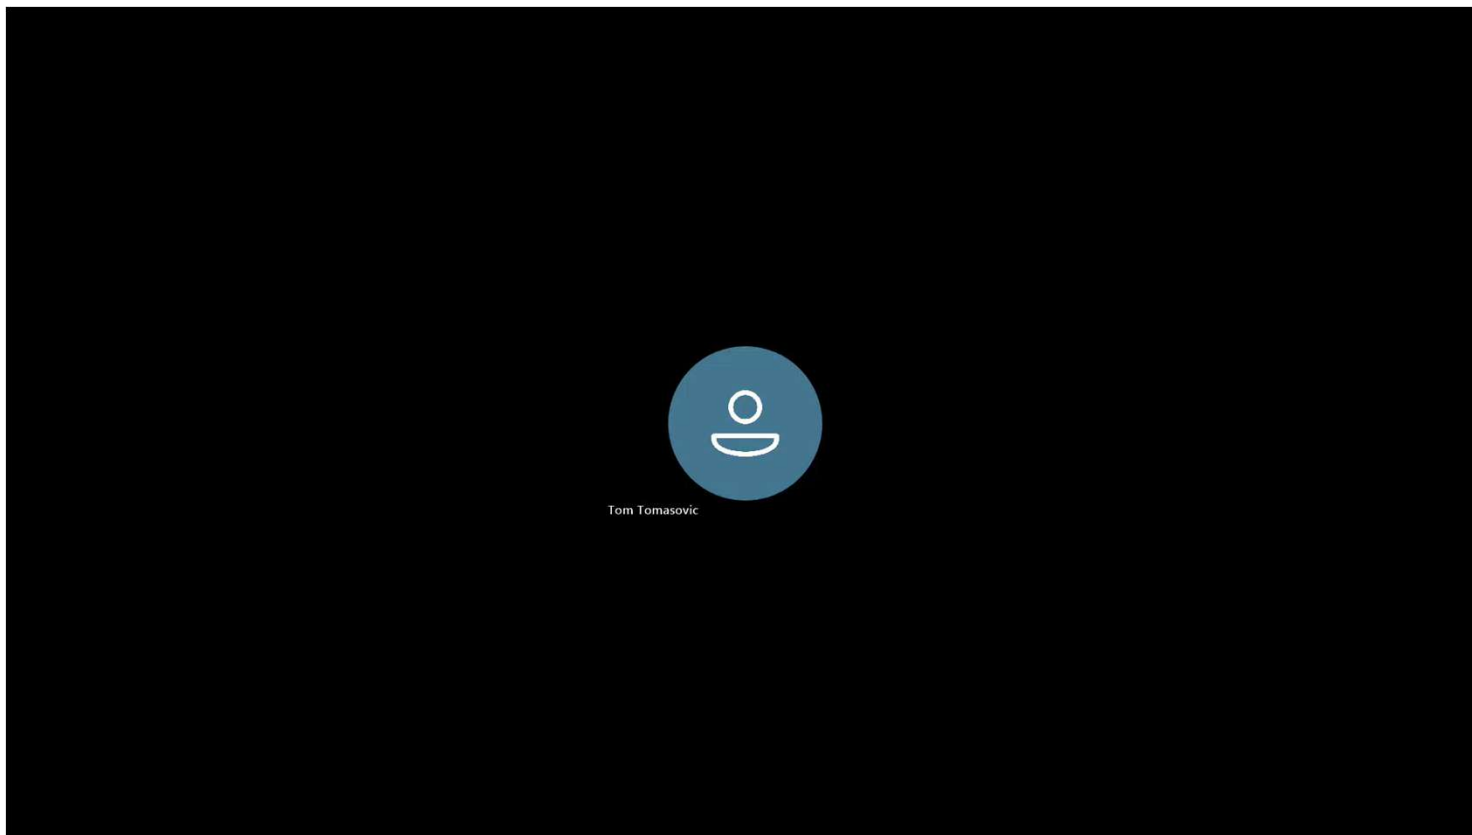

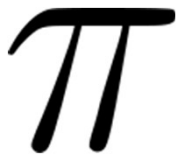

Let's Put Tom to Work

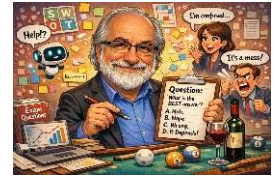

Generating Our Own Question Bank

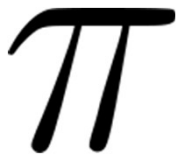

It's Time to "Taste"
